

MATERIALS AND CONSTRUCTION

Case

- Frameless construction using premium, engineered wood panels.
- Sides and back panels are 3/4" white melamine veneered and fully cased with white edge banding. Interiors are white.
- Shelves are 3/4" thick, adjustable and edge banded. They are full depth with metal shelf clips in wall and base cabinets.
- Sink base front rails are water resistant aluminum.
- Exteriors are white. Additional 3/4" overlay panel to match doors is available separately.

Drawers

- Hafele MX drawers. Full extension and soft closing. Sides are white metal. Bottom and back is 5/8" white melamine. Fronts on optional roll out tray are white metal.

Hinges

- European style soft closing hinge, 6 way adjustable. 110 degree opening.

Doors

- Modena/Tuscan Series: Melamine, slab 3/4" thick.
- NOTE: Doors and drawers are not grain matched.
- Cristallo Series: High gloss thermofoil, slab door 7/8" thick.

Reveals

- All doors and drawer fronts have a 1/16" reveal.

Toe Kick

- Cabinets are on plastic, adjustable legs.
- Toe kick cover is plastic with a premium brushed aluminum front plate and is water resistant. Features a gasket for proper seal to the floor. Can be trimmed to fit.

Drawer Fronts

- Small drawer fronts height of 7 3/8"
- Large drawer fronts height of 14 7/8"
- All drawer cabinets are designed to align perfectly when placed next to additional drawer cabinets, providing for a very clean and symmetrical design. See spec drawing on next page.
- NOTE: Doors and drawers are not grain matched.
